

BRIAN & MARK DONAGHY DVD'S

A Maine Trapline With Brian & Mark Donaghy 3.5 hrs

Length: 3 hours 38 minutes

Follow along with experienced trappers, Maine Guides, and twins Brian and Mark , on their trapline in the remote mountains of western Maine. Watch and learn from their tried techniques for trapping beaver, otter, mink, muskrat, marten, fisher and weasel. This is a true multi-species DVD filmed in the working logging country of Maine. This younger generation of trappers charge hard for a month battling harsh elements that come along with running a line in Western Maine. You will not find a more complete DVD covering most of the species found in Maine.
